

# Superluv

Shane Dawson

I'm running out of time  
I hope that I can save you somehow  
If I, If I had superpowers  
I'd save the world and you would be mine, mine

Have no fear, your hero is here  
My super sense is tellin' me that danger is near  
I'm gettin' close to you so I can watch yo' back  
A villain's on the loose and he's ready to attack, oh!

But I'm not a superhero  
I'm not that kinda guy  
But I can save you baby, give me a try

Cause I'm runnin' out of time  
I know what I came to do, and I didn't come to lose,  
So I'll fight until you're mine  
And if trouble comes around, I won't be backin' down, tonight

Ooooooooh, if you're in danger  
Ooooooooh, I'm here to save ya  
Ooooooooh, that's what I'm made of  
Oh oh oh ooh, give you my SuperLuv

Been fightin' for your luv for all this time  
What I gotta do to make you mine  
Got no super speed, but I'm runnin' this town  
If you get in my way, I'm a take you down

But I'm not a superhero  
I'm not that kinda guy  
But I can save you baby, give me a try.

Cause I'm runnin' out of time  
I know what I came to do, and I didn't come to lose,  
So I'll fight until you're mine  
And if trouble comes around, I won't be backin' down, tonight

Ooooooooh, if you're in danger  
Ooooooooh, I'm here to save ya  
Ooooooooh, that's what I'm made of  
Oh oh oh ooh, give you my SuperLuv

Can't you see  
(That you're my lover)  
We're meant to be  
(You're like no other)  
So come with me and say your mine  
(Don't keep me waiting)

Cause I'm runnin' out of time  
I know what I came to do, and didn't come to lose  
So I'll fight until you're mine  
And if trouble comes around, I won't be backin' down, tonight

Ooooooooh, if you're in danger  
Ooooooooh, I'm here to save ya

Ooooooooooh, that's what I'm made of  
Oh oh oh ooh

Give you my Superluv [x5]

And all you really need  
Has been right in front of you this whole time  
And I, I didn't need no super powers  
I saved the world and now you are mine  
Now you're mine
