

# This Christmas Life

Shane Dawson

If life was like a Christmas movie  
I wouldn't have a care or worry  
And everything would always turn out fine

Making angels in the snow  
Kissing under mistletoe  
And everyone would always have a smile

But baby, life isn't that easy  
Sometimes it gets crazy  
I'm falling on my knees  
Yeah  
I'm hoping for a happy ending  
So let's start pretending what life could be

[Chorus:]  
There'll be dancing and singing  
This Christmas life  
And the bells will be ringing  
This Christmas life  
No more heartaches from heartbreaks  
This Christmas life  
Oh I wish you could be mine

If I lived up on the north pole  
I would stare outside my window  
And look around at all the shining lights

Christmas carols at the front door  
Family at the dinner table  
And every night would always end just right

But baby, life isn't that easy  
Sometimes it gets crazy  
I'm falling on my knees  
Yeah  
I'm hoping for a happy ending  
So let's start pretending what life could be

[Chorus]

So I just close my eyes and  
Create a wonderland where  
Anything's possible there  
I'm just dreaming of what it would be

[Chorus x2]
