

# This Christmas time

Shane Dawson

If life was like a Christmas movie  
I wouldn't have a care or worry  
And everything would always turn out fine

Makin' angels in the snow  
Kissin' under mistletoe  
And everyone would always ever smile

But baby, life isn't that easy  
Sometimes it gets crazy  
I'm fallin' on my knees  
Ye-eah

I'm hopin', for a happy endin'  
So let's stop pretendin'  
What life could be

There'll be dancin' and singin'  
This Christmas life  
And the bells will be ringin'  
This Christmas life  
No more heartaches from heartbrakes  
This Christmas life, oh I  
Wish it could be mine

If I lived up on the north pole  
I would stare outside my window  
And look around at all the shining lights

Christmas carols at my front door  
Family at the dinner table  
And every night would always end just fine

But baby, life isn't that easy  
Sometimes it gets crazy  
I'm fallin' on my knees  
Ye-eah

I'm hopin', for a happy endin'  
So let's stop pretendin'  
What life could be

There'll be dancin' and singin'  
This Christmas life  
And the bells will be ringin'  
This Christmas life  
No more heartaches from heartbrakes  
This Christmas life, oh I  
Wish it could be mine

So I just close my eyes, and  
Create a wonderland, where  
Anything's possible, there  
I'm just dreamin' of what it would be

There'll be dancin' and singin'  
This Christmas life

And the bells will be ringin'  
This Christmas life  
No more heartaches from heartbrakes  
This Christmas life, oh I  
Wish it could be mine

There'll be dancin' and singin'  
This Christmas life  
And the bells will be ringin' (Will be ringin')  
This Christmas life  
No more heartaches from heartbrakes (Heartaches from heartbrakes)  
This Christmas life, oh I  
Wish it could be mine
