

Completely

Shane Filan

I don't want you to hold my hand
I just need you to understand
Its all up in my head, I'm making no sence
But I'm trying to figure it out
Cause its something I never said

I'm so scared, I can't run I can't hide anymore
I'm falling so deeply
I love you completely
And I can't find what I know is beyond my control
Surrender so easy, I love you completely
I love you completely

Baby I for it is said too much
Baby I haven't said enough
I'm just been on this
My heart's in chaos
And I'm trying to get the words out
Cause I've never felt like this

And I'm so scared, I can't run I can't hide anymore
I'm falling so deeply
I love you completely
And I can't find what I know is beyond my control
Surrender so easy, I love you completely

I love you completely
I love you completely
I love you completely
I've never felt like this
Oh I've never felt like this

Cause I'm so scared, I can't run I can't hide anymore
I'm falling so deeply
I love you completely
