

Crazy Over You

Shane Filan

Don't look at me that way
It's not OK
Don't give me hope I pray
This isn't just a game for me anyway
Cause you're all I ever think of

Cause my heart goes crazy over you
Can't help but feel the way I do
I can't escape
I can't hide from the truth
Doing the things you do
I'm crazy over you
Crazy over you

Don't stand too close to me
It's hard to breathe
You mean too much to me
You know I can't pretend that we're just friends
Cause you're all I ever dreamed of

My heart goes crazy over you
I can't help but feel the way I do
I can't escape
I can't hide from the truth
Doing the things you do
I'm crazy over you

If only I could see inside your mind
Would it break my heart saying my line
Are you dreaming of me too
Cause I'm crazy over you
Crazy over you

I can't escape
I can't hide from the truth
Doing the things you do
I'm crazy over you
I'm crazy over you
