Shane Harper

I'm just waiting for it to fade, yeah
When I was a child
I thought it'd be different
Have you ever
Have you ever wanted something
Something way more
Close my eyes
I'm afraid of the things I can't see
Breaks my pride to face me
Well c'mon mercy
Have mercy on me
I feel lost and untied
I wanna go back

Can we be honest? Oh Lord
I can't wait anymore
So can we be honest?
I can't wait anymore
I won't let it go

So can we be honest?
(Oh, oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh, oh, oh)
