

## All Praise

Shane & Shane

Amazing grace, amazing grace  
That far outweighs my past mistakes  
Your death became the death of shame  
I'll praise You for amazing grace

Up from the grave, up from the grave  
Into the dark, You called my name  
And brought me back to life again  
I rose with You up from the grave

And all praise, all praise  
See the old life has gone and the new has begun  
Your name, Your name always  
Jesus, You alone deserve all praise

You're coming soon, You're coming soon  
Your promises they all come true  
God, we will fix our eyes on You  
'Cause we believe You're coming soon

Yes, we will fix our eyes on You  
Your promises they all come true  
Yes they do, they all come true

All praise, all praise (Oh)  
See the old life has gone and the new has begun  
Your name, Your name always  
Jesus, You alone deserve all praise  
Jesus, You alone deserve all praise (You alone)  
Jesus, You alone deserve all praise

Sing praise to Him  
Sing out Your praise to Him  
Sing praise to Him  
Sing all praise to Him

All praise, all praise  
See the old life has gone and the new has begun  
Your name, Your name always  
Jesus, You alone deserve all praise  
Jesus, You alone deserve all praise  
Jesus, You alone deserve all praise

You're worthy
