

You are holy great and mighty  
The moon and the stars declare who You are  
I'm so unworthy, but still You love me  
Forever my heart will sing of how great You are

It's falling from the clouds  
A strange and lovely sound  
I hear it in the thunder and the rain  
It's ringing in the skies  
Like cannons in the night  
The music of the universe plays

Singing You are holy great and mighty  
The moon and the stars declare who You are  
I'm so unworthy, but still You love me  
Forever my heart will sing of how great You are

Beautiful and free  
The song of galaxies  
Reaching far beyond the milky way  
Let's join in with the sound  
C'mon let's sing it loud  
As the music of the universe plays

Singing You are holy great and mighty  
The moon and the stars declare who You are  
I'm so unworthy, but still You love me  
Forever my heart will sing of You

All glory, honor, power is Yours amen  
All glory, honor, power is Yours amen  
All glory, honor, power is Yours forever amen

You are holy great and mighty  
The moon and the stars declare who You are  
I'm so unworthy, but still You love me  
Forever my heart will sing of how great You are

You are holy great and mighty  
The moon and the stars declare who You are  
I'm so unworthy, but still You love me  
Forever my heart will sing of how great You are
