

# Closer

Shane & Shane

Like the rushing wind  
Would You breathe within my heart, heart

Through the raging storm  
Would You hold me in Your arms, arms

'Cause I need You  
How I need You

I need Your love like I need water  
I need Your love like I need breath inside my lungs  
Burning my heart just like a fire  
Come and take me over  
Jesus, draw me closer to Your heart

Through the wind and rain  
I can hear You call my name, name

And when the nights get rough  
I will still sing out Your praise

'Cause I need You  
How I need You

I need Your love like I need water  
I need Your love like I need breath inside my lungs  
Burning my heart just like a fire  
Come and take me over  
Jesus, draw me closer to Your heart  
To Your heart

Closer than my every breath  
Closer than my every step  
Closer than the song I sing  
Closer than anything

Closer than my every breath  
Closer than my every step  
Closer than the song I sing  
Closer than anything

Closer than anything  
Closer than anything

I need Your love like I need water  
I need Your love like I need breath inside my lungs  
Burning my heart just like a fire  
Come and take me over  
Jesus, draw me closer

I need Your love like I need water  
I need Your love like I need breath inside my lungs  
Burning my heart just like a fire  
Come and take me over  
Jesus, draw me closer

Your Heart

Your Heart  
Your Heart  
Come and take me over  
Jesus, draw me closer
