

Do It Again

Shane & Shane

Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet

Your promise still stands
Great is Your faithfulness, Your faithfulness
I'm still in Your hands
This is my confidence, You've never failed me yet

I know the night won't last
Your Word will come to pass
My heart will sing Your praise again
Jesus, You're still enough
Keep me within Your love, oh
My heart will sing Your praise again, again, again

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed
Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed me yet

Oh no, not once
Hey, hey
Even when I think You failed me
Oh, you're faithful still, oh God

I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again
I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again
I've seen You move, You move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again
I've seen You move, You move the mountains
And I believe, I'll see You do it again
Even if my heart couldn't wait
You made a way, where there was no way
You're faithful still, you're in control

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed
Your promise still stands
Great is Your faithfulness, faithfulness

I'm still in Your hands
This is my confidence, You've never failed me yet

Oh, You've never failed me yet
And I never will forget
Oh, You've never failed me yet
And I never will forget
