

## Draw Me Close

Shane & Shane

Draw me close to You, never let me go  
I lay it all down again  
To hear You say that I'm Your friend  
You are my desire, no one else will do  
'Cause nothing else could take Your place  
To feel the warmth of Your embrace  
Help me find the way, bring me back to You

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near  
You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near

You are my desire, no one else will do  
'Cause nothing else could take Your place  
To feel the warmth of Your embrace  
Help me find the way lead me back to You

You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near  
You're all I want  
You're all I've ever needed  
You're all I want  
Help me know You are near  
Help me know You are near  
Help me know You are near

Oh God, You're near, oh God of us  
Your nearness is to us our good  
Be near, oh God, be near, oh God of us  
Your nearness is to us our good  
Be near, oh God, be near, oh God of us  
Your nearness is to us our good  
Be near, oh God, be near, oh God of us  
Your nearness is to us our good, our good
