

# Everything Is Different

Shane & Shane

Who am I to know Your glory?  
Who am I to recognize your voice calling out?  
How could I be in Your story?  
God who was and is and is to come who is One?

I was dead in my sin  
You came in  
Yeah

You made a way when there was no way  
You covered heaviness with garments of praise  
You wrote a song and You're singing it over me  
I feel a dead heart beating now  
This revelation makes me want to shout  
That Jesus has been sent  
And everything is different

You turn ashes into beauty  
You are for me, not against me now  
You found me somehow  
You turn mourning into dancing  
You turn weeping into a joyful noise  
Oh rejoice!

I was dead in my sin  
You came in  
Yeah

You made a way when there was no way  
You covered heaviness with garments of praise

You wrote a song and You're singing it over me  
I feel a dead heart beating now  
This revelation makes me want to shout  
That Jesus has been sent  
And everything is different

What matter of love that You would call us sons and daughters?  
We cry "Abba! Father!"  
Hallelujah Hallelujah Hallelujah  
I will never be the same

You made a way when there was no way  
You covered heaviness with garments of praise  
You wrote a song and You're singing it over me  
I feel a dead heart beating now  
This revelation makes me want to shout  
That Jesus has been sent  
And everything is different

You made a way when there was no way  
You covered heaviness with garments of praise  
You wrote a song and You're singing it over me  
I feel a dead heart beating now  
This revelation makes me want to shout  
That Jesus has been sent  
And everything is different
