

First Things First (Matthew 6)

Shane & Shane

The days of my life but a moment
All that I treasure and hope
Even the breath that I breathe is not my own
There's more to be gathered than riches
More for the body than clothes
A power to keep me alive is Yours alone
Yours alone

First thing's first I will seek and thirst
For Your Kingdom oh God Your righteousness
Put You first 'cause I know Your worth
Every need You provide when the first thing's first

You care for the sparrows and lilies
Upholding the earth day and night
How could I fear when The Lord is on my side
My worry can't add to Your purpose
My questions don't hinder Your plan
My future is held in the hollow of Your hand

First thing's first I will seek and thirst
For Your Kingdom oh God Your righteousness
Put You first 'cause I know Your worth
Every need You provide when the first thing's first

I will not borrow from tomorrow
I will trust You for today
You will be there in the morning
So I will stand and I will say
I will not borrow from tomorrow
I will trust You for today
You will be there in the morning
So I will stand and I will say

First thing's first I will seek and thirst
For Your Kingdom oh God Your righteousness
Put You first 'cause I know Your worth
Every need You provide when the first thing's first
Every need You provide when the first thing's first
