

# Jireh

Shane & Shane

I'll never be more loved than I am right now  
Wasn't holding You up so there's nothing I can do to let You down  
Doesn't take a trophy to make You proud  
I'll never be more loved than I am right now

Going through a storm but I won't go down  
I hear Your voice carried in the rhythm of the wind to call me out  
You would cross an ocean so I wouldn't drown  
You've never been closer than You are right now

Jireh You are enough  
Jireh You are enough  
And I will be content in every circumstance  
'Cause you are Jireh You are enough

Forever enough  
Always enough  
You are more than enough  
Forever enough  
Always enough  
You are more than enough, God

I don't wanna forget how I feel right now  
On the mountaintops I can see so clear what it's all about  
So stay by my side when the sun goes down  
Don't wanna forget how I feel right now

You are Jireh You are enough  
Jireh You are enough  
And I will be content in every circumstance  
You are Jireh, oh, You are enough

Forever enough  
Always enough  
You are more than enough  
Forever enough  
Always enough  
You are more than enough

I'm already loved  
I'm already chosen  
I know who I am  
I know what You've spoken  
I'm already loved  
More than I can imagine  
And that is enough

I'm already loved

I'm already loved  
I'm already chosen  
I know who I am  
I know what You've spoken  
I'm already loved  
More than I can imagine  
And that is enough

I'm already loved

I'm already loved  
I'm already chosen  
I know who I am  
I know what You've spoken  
I'm already loved  
More than I can imagine  
And that is enough

That is enough  
That is enough

You are enough

Jireh You are enough  
Jireh You are enough  
I will be content in every circumstance  
'Cause you are Jireh, oh, You are enough

If He dresses the lilies with beauty and splendor  
How much more will He clothe you  
How much more will He clothe you  
And if He watches over every sparrow  
How much more does He love you  
How much more does He love you

And if He dresses the lilies with beauty and splendor  
How much more will He clothe you  
How much more will He clothe you  
And if He watches over every sparrow  
How much more does He love you  
How much more does He love you  
How much more does He love you  
How much more

You are Jireh You are enough  
Oh, yeah, you are Jireh You are enough  
And I will be content in every circumstance  
'Cause you are Jireh, You are enough

And I will be content in every circumstance  
'Cause you are Jireh, You are enough
