Liberty

Shane & Shane

The Lord is the Spirit
Where the Spirit of the Lord is, now
There is liberty
And the Spirit lives inside of me
Where the Spirit of the Lord is, now
There is liberty, there is liberty
There is liberty

For freedom You set me free
And yes, I am free indeed
You rewrote my name
And shackled my shame
You opened my eyes to see
I am free

When the spirit of the world
Comes to kill me and enslave me I will say
There is liberty
For the chains of sin that once entangled me
Have been broken, now I'm singing 'cause I'm free
There is liberty, there is liberty
There is liberty

For freedom You set me free
And yes, I am free indeed
You rewrote my name
And shackled my shame
You opened my eyes to see
I am free

The storm rolled in
It was dark in the land
As the Son of Man
Was crucified
You don't take his life
He laid it down
He paid the price
And shed His blood

It is done
The veil is torn
He has won
And I am free
And I am free
And I am free
I am free

For freedom You set me free
And yes, I am free indeed
You rewrote my name
And shackled my shame
You opened my eyes to see

For freedom You set me free
And yes, I am free indeed
You rewrote my name
And shackled my shame

You opened my eyes to see
I am free
