

## Make Believe Jesus

Shane & Shane

Emmanuel God with us  
Come Lord Jesus make believe  
Believe  
With all Your beauty

Mountains groan  
And seas roar  
Because all they know  
Is You for who You are  
Bright, Morning Star  
Jesus, make believe  
Like they believe

I sing 'cause of You  
Maker of faith and love  
Make believe  
Believe  
With all Your beauty

I know you don't need me  
Or anybody else  
You speak for yourself  
Our words they sing your praise  
Still, hearts are far away  
Jesus, make believe  
Like they believe

"Have you ever in your life commanded the morning  
And caused the dawn to know it's place..."
