

No Height No Depth

Shane & Shane

When I don't have the words to say
When I don't have a song to sing
When I am broken, I am weak
You are never far from me

When I don't have the strength to pray
And I don't have much left to bring
I hear Your voice reminding me
That You are never out of reach

And no height, no depth, no power that comes against
Can separate me from Your love
No death, no grave, not anything I face
Can separate me from Your love

When I don't understand the hurt
But I don't have the answers
When I am fighting to believe
That You are never far from me

Oh, no height, no depth, and no power that comes against
Can separate me from Your love
No death, no grave, not anything I face
Can separate me from Your love

Minute after minute, hour after hour
Your love pursues me, it won't relent
Moment after moment, even in the valley
Your love pursues me, it never ends

Oh, minute after minute, and hour after hour
Your love pursues me, it won't relent
Moment after moment, oh, even in the valley
Your love pursues me, it never ends

No height, no depth, no power
Could ever separate us
No height, no depth, no power
Could ever separate

No height, no depth, no power
Could ever separate us
No height, no depth, no power
Could ever separate

No height, no depth, no power that comes against
Can separate me from Your love
No death, no grave, not anything I face
Can separate me from Your love
