

Only Christ

Shane & Shane

Endless fount of living water
Wellspring of my soul's delight
O to taste and see Your goodness
Come and fill the caverns of my life

Endless joy found in Your presence
Lord You are my dwelling place
There are pleasures sure forevermore
Come make known the path of life today

O my soul behold your hope is only Jesus
O my soul be still and know that He is God
Like a shepherd He will guide us
All the day and through the night
O my soul behold your hope is only Christ

Endless grace for sinners broken
Underneath the weight of shame
O the cross of Christ our sacrifice
Come and see He's risen from the grave

O my soul behold your hope is only Jesus
O my soul be still and know that He is God
Like a shepherd He will guide us
All the day and through the night
O my soul behold your hope is only Christ

Endless praise belongs to Jesus
Glory to his matchless name
How we long to see the Savior King
Come adore the Lord our God who reigns
He reigns

O my soul behold your hope is only Jesus
O my soul be still and know that He is God
Like a shepherd He will guide us
All the day and through the night
O my soul behold your hope is only Christ

O my soul behold your hope is only Jesus
O my soul be still and know that He is God
Like a shepherd He will guide us
All the day and through the night
O my soul behold your hope is only Christ
O my soul
O my soul behold your hope is only Christ
