

## Praise Him

Shane & Shane

Everything that has a breath  
Everything that takes a step  
Everything from up above  
Here on earth sing of His love  
Everyone who's on a mountain  
Everyone in the driest place Praise Him  
Praise Him

Praise Him in the morning  
When the feeling's gone  
Praise Him in the evening  
When you're all alone  
Praise Him in the noonday  
When you're moving along  
Praise Him while you have another moment  
To sing this song

Praise You in the morning  
When the feeling's gone  
Praise You in the evening  
When I'm all alone  
Praise You in the noonday  
When I'm moving along  
Praise You while I have another moment  
To sing this song
