Refuge

Shane & Shane

Always near the brokenhearted
Always with me through the pain
When my fears are overwhelming
Jesus, You save me

In my sorrow I find comfort
In my weakness I find strength
Every time I reach out for You
Jesus, You save me

You are my refuge, You are my shelter
You are my hiding place forever
I will run to You, I will rest secure
In the presence of my Savior

You are with me every moment
You surround me day and night
Always constant, always faithful
Jesus, You save me

You are my refuge, You are my shelter
You are my hiding place forever
I will run to You, I will rest secure
In the presence of my Savior

I will rest secure with You

I will trust, I will trust in Your promise
I am loved, I am loved, You are with me now
I will rise, I will rise in Your faithful hand
Jesus, You save me, I will trust

I will trust, I will trust in Your promise
I am loved, I am loved, You are with me now
I will rise, I will rise in Your faithful hand
You save me

Oh, Jesus, You save me

You are my refuge, You are my shelter
You are my hiding place forever
I will run to You, I will rest secure
In the presence of my Savior
You are my refuge, You are my shelter
You are my hiding place forever
I will run to You, I will rest secure
In the presence of my Savior
