

# Uncomplicated

Shane & Shane

There's a simplicity, humility  
To the way You love me  
An honesty, a purity  
God You make it easy  
No special words or formulas  
Could ever win You over  
For Your love is undeserved

Even when I can't see clearly  
Somehow You sill make it easy

Your love's uncomplicated  
You love me just the way I am  
So I stand before You  
I'm totally surrendered  
With open hands and open heart  
Jesus, have Your way in me

Ooh, ah  
Ooh, ah  
Have Your way in

My brokenness, my loneliness  
And the secrets You see  
My deepest thoughts, my hidden wars  
God, You see right through me

Even when I'm overthinking  
Somehow You still love me simply

Your love's uncomplicated  
You love me just the way I am  
So I stand before You  
I'm totally surrendered  
With open hands and open heart  
Jesus, have Your way in me

Ooh, ah  
Ooh, ah  
Have Your way in me  
Ooh, ah  
Ooh, ah  
Have Your way in me

I could sing over and over, I love You  
It never grows old  
How could I tell You enough  
That I love You, I love You Lord

I could sing over and over, I love You  
It never grows old  
How could I tell You enough  
That I love You, I love You Lord

I could sing over and over, I love You  
It never grows old  
How could I tell You enough

That I love You, I love You, Lord

I love You, Lord

Your love's uncomplicated  
You love me just the way I am  
So I stand before You  
I'm totally surrendered  
With open hands and open heart  
Jesus, have Your way in me

Ooh, ah  
Ooh, ah  
Have Your way in me  
Ooh, ah  
Ooh, ah  
Have Your way in me
