

Without Jesus

Shane & Shane

Just three chords and a melody
Won't leave you a living legacy
Without Jesus
Just four songs and a parable
Might leave you something terrible
Just five bucks in an offering
Won't buy you some prosperity
Just a sixth sense of morality
Won't get you out of your depravity
Without Jesus, oh, without Jesus

You could memorize
Become a Mennonite
You could speak in tongues
And raise the dead to life
You could build a big church
Call it ministry
Teach 'em all they need to know to run a family
You could sell it all
Be burned at the stake
But what in the world have you to ever gain
Without Jesus, oh, without Jesus

If all I ever get out of laying my life down
Is thorns in the shape of a crown
On the brow of a man from Nazareth
And if all I get is what Jesus did
And said, and put within my heart
Then I get it all
I have it all
Oh, I have it all
Everything is mine
Oh, I have it all
I have it all

Just three chords and a melody
Won't leave you a living legacy
Without Jesus
