

# Without You

Shane & Shane

I can walk through the storm  
I can walk by faith when my sight is gone  
Just as long as you are here with me  
And I can gain everything  
But what do I have if I don't have the key  
Oh I need to know you're here with me

Here I am calling out Father  
Can you hear me, can you hear me  
I don't want to go without you  
Here I am can You talk a little louder  
So I can hear You, I want to hear You  
I don't want to move without You

Even though I believe  
You've taken up a home inside me  
And you'll never leave  
I still need to know You'll never leave

Here I am calling out Father  
Can you hear me, can you hear me  
I don't want to go without you  
Here I am can You talk a little louder  
So I can hear You, I want to hear You  
I don't want to move without You

If Your presence goes I don't want to stay  
If Your presence stays I don't want to go  
If Your presence goes I don't want to stay  
If Your presence stays I don't want to go  
I need You

Here I am calling out Father  
Can you hear me, can you hear me  
I don't want to go without you  
Here I am can You talk a little louder  
So I can hear You, I want to hear You  
I don't want to move without You

Here I am I'm calling out Father  
Can you hear me, can you hear me  
I don't want to go without you  
Here I am can You talk a little louder  
So I can hear You, I want to hear You  
I don't want to move without You
