It's Been A While

Shane Smith & The Saints

When you broke down, I knew that day
That you were on the way out
And you were the one that I needed to find
I gotta patch that levee, babe, and change your mind

I'm gonna take a train back to Texas
Freight-liner, won't you call my name
Cause it's been a while
Yeah, it's been a while
Since I've seen your face

Oh the anger, oh Lord the anger
Took a fall and it's like I'm a stranger
You're still the best thing that I've ever found
So turn the wheels at the quickest of time
Put the wind on my back, send me right down the line
Before she is gone, it won't be long

I'm gonna take a train back to Texas
Freight-liner, won't you call my name
Cause it's been a while
Yeah, it's been a while
Since I've seen your face

Cause it's been a while
Cause it's been a while
It's been a while, it's been a while

Oh, since I've seen your face
(It's been a while)
Oh, since I've seen your face...
