

Give Me The Love I Need

Shanice

Give me the love I need
I want you
I need you to
I want you to give me
Give me the love I need
All right
Oh, yeah

Come and give me your love
I want you
I need you to
I want you to give me
Give me the love I need

I know it took a while for me to open up around you
'Cause I'm the type of girl
That likes to take my time
Honey, now that I feel that
I'm ready to take you on your journey
You never been before
Baby, it's gonna get wild, wild

Give me the love I need
I want you, I need you to
I want you to give me
Give me the love I need
I want your loving
Give me your love

Baby, come a little closer
And put your arms around me
You don't have to be afraid
My love is here to stay
Boy, you're everything
I've always wanted in the tender romay
And you sure look good to me

I need your love
Give me your love
Give me your love
I want you
I need you to
I want you to give me
Give me the love I need
All right, oh yeah

Give me the love I need
I want you, I need you to
I want you to give me
Give me the love I need

I've waited for a long time
And now I'm ready
Ready for your love
Yeah

I want you, I need you to

I want you to give me
Give me the love I need
Give me your love
I want your loving
Come a little closer, baby

I want you
I need you to
I want you to give me
Give me the love I need
Give me your love
I want your loving
Give me the love I need
