

# I'll Bet She's Got A Boyfriend

Shanice

I see you walking with her  
And you really look like you're in love  
Boy, she's really got you  
She's the only one you're thinking of

I've been watching, baby  
To see just how far you would go  
When you move, be careful  
Because I think that there is something you don't know

I'll bet she's got a boyfriend (yeah)  
That she's not telling you about  
That she's not telling you about it, yeah  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

I'll bet she's got a boyfriend  
That she's not telling you about  
(That she's not telling you)  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

Can I tell a secret?  
I love you more than that girl ever will  
And I'm feeling so bad  
Cause you don't understand the love I feel

I would never hurt you  
Would never treat you less than very well  
But she's gonna leave you  
And how soon it's gonna happen  
Time will tell

I'll bet she's got a boyfriend (yeah)  
That she's not telling you about  
(That she's not telling you about)  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without  
(I can't live without)

I'll bet she's got a boyfriend  
That she's not telling you about  
(That she's not telling you)  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

I'll prove she's got another  
And she don't love you  
She'll never be true  
You mean more to me because I love you

I'll bet she's got a boyfriend  
That she's not telling you about

(That she's not telling you)  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

I'll bet she's got a boyfriend  
That she's not telling you about  
(That she's not telling you)  
I'll bet she's got a boyfriend  
And you know that you're the one  
(And you know that you're the one)  
I can't live without

I don't think you understand the love that I have for you  
I'm feeling so bad  
Can't you see?  
Could it just be me and you together?  
I'm telling you  
I know she has got a boyfriend  
I feel that I'm the right one for you

I'll bet she's got a boyfriend  
That she's not telling you about  
(That she's not telling you)  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

I'll bet she's got a boyfriend  
(I know, know, know)  
That she's not telling you about  
I'll bet she's got a boyfriend  
And you know that you're the one  
I can't live without

Boyfriend  
I want you for my boyfriend  
She's got a guy she's not telling you about  
Boyfriend  
I want you for my boyfriend
