

# When I Say That I Love You

Shanice

Every time you did  
That look on your face  
It hurts so much to see your eyes

Cold with questions  
Doesn't matter if I tell you  
Each day how I feel  
It doesn't change your suspicions

Can I prove  
You're the one  
And then all the others feel it

Don't matter if I show  
How I care  
Boy, I gotta tell you something so  
Don't you go nowhere

If you go  
What do you do  
Why don't you just try to believe  
When I say that I love you  
You should trust  
You know it's true  
I'm not trying to deceive  
When I say that I love you

Please, baby  
Just understand  
I know it's hard  
That kind of life that I'm living

While I'm standing on  
There are all these lines  
And everywhere  
I'm getting guys' attentions

Can I prove  
You're the one  
I don't care about the others' reaction

If I show how I feel  
You never find the girl so true  
So what you gonna do

If you go  
What do you do  
Why don't you just try to believe  
When I say that I love you  
You should trust  
You know it's true  
I'm not trying to deceive  
When I say that I love you  
[x2]

In the world  
For your doubts

You're the one that I'll be down on

Baby, you're my kind  
Don't you know what's in my heart  
No matter where  
I'll wish on the star

Break you down  
Here we go  
I said one, two

If you go  
What do you do  
Why don't you just try to believe  
When I say that I love you  
You should trust  
You know it's true  
I'm not trying to deceive  
When I say that I love you
