

# Burn

Shannon Noll

You struck a match inside  
The frozen heart of mine  
And set my soul on fire  
Stranded dazed and confused  
Stumbling drunk on you  
Consumed by my own desire  
But tell me how  
Tell me how you

Burn right through me  
You undo me, yeah  
But what a way to go  
Oh you twist and turn me  
Ignite and stir me yeah  
You know i gotta learn how you burn  
How you burn  
Burn

Lost in a stadium full of frowns  
Til your smile turned it all around  
Now the mention of your name  
Fans the flame, the flame that burns

I wanna just deserve you  
Even just to come close  
But everytime we kiss  
That thought goes up in smoke  
Cos you burn
