

# Summertime

Shannon Noll

Hey, that last summer day  
When we hung out  
I thought that it would last forever  
You, knew it wasn't true  
I ignored all the clues  
Then I lost her to your weather

If I'd known what I know now  
Wouldn't be surprised  
Would of realised  
What I realise

In summertime  
Why did you lie to me  
In summertime  
Why don't you leave me be  
In summertime  
You took her away from me

Hey, the clouds have come around  
How does that sound  
Knowing you won't last forever  
Leaves, are all falling down  
And she's not 'round  
Why couldn't we have worked together

If I'd known what I know now  
Wouldn't be surprised  
Of this demise  
What I realise

In summertime  
Why did you lie to me  
In summertime  
Why don't you leave me be  
In summertime

As winter gets colder  
The winds gettin' bolder  
Just run and hide  
Why don't you run and hide

Yeah I don't wanna see your face anymore  
Don't you come round here anymore

In summertime  
Why did you lie to me  
In summertime  
Why don't you leave me be  
In summertime  
You took her away from me
