

Don't You Doubt Me

Shannon Wright

Oh give it time
These trying days
Just let it lie
Your boat will come
And when it comes
Don't send it back
Yes when it comes
Don't send it back

Don't you doubt
Don't you doubt
Don't you doubt me

Don't you doubt
Don't you doubt
Don't you doubt me

Lift your voice
The depth of ???
And soon you'll see

Don't you doubt
Don't you doubt
Don't you doubt me.

Don't you doubt
Don't you doubt
Don't you doubt me.

Your boat will come
And when it comes
Don't send it back

Don't you doubt
Don't you doubt
Don't you doubt me.

Don't you doubt
Don't you doubt
Don't you doubt me.
