

Father

Shannon Wright

Father
Come save me now
Just whisper
A simple advice
It's been too long
Since I've seen you
When change come
I won't answer

So
I'm an unsolvable cell
So
I'm an unsolvable cell

This house i speak of
No sound
No static
No cancer

So
I'm an unsolvable cell
So
I'm an unsolvable cell
