Shantel

My baby came down from romania
She was the queen of transylvania
But now we live in suburbia
Without any friends buzzing you
Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
Everybody dancing to this beat
Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
Disko disko partizani
Disko disko partizani
Parti parti partizani
Zece, alege
Nu mai intelege
Opt un tort (upgrade)
Musica non stop
Cand te vad ma pierd cu firea
Nu'mi pot stapani privirea
Dansezi bine esti mortala
Si cu frumusetea ta'i bagi pe toti in boala
Orice barbat te doreste
Cand te vede innebuneste
Tiar da bani, tiar da orice tiar da si casa
Pentru tine sia lasat nevasta
Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
Everybody dancing to this beat
Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
