

Bad Type

Shanti Dope

She fell in love with the bad type
She 'bout that life
Dance with the devil, pedal to the floor
Livin' in the fast life, fast life

Sya yung tipo ng babae na kakaiba
Di mo pwedeng buklatin ang mga pahina
Kahit na wala sa byahe lagi nyang pinapainit ang dala kong makina
Di uubra ang mga mahika, matatamis mo na salita
Ano ba ang 'yong gusto? pero eto lang sabi nya
Sabi nya sakin "Young Gaddy, I don't care about your money
Simutin mo lang palagi ang dala dala kong honey

Yung mga tulak samin si 2Pac tingin sakin
Kahit anong mangyari yung pera kukuhanin
Gusto ko na makaalis kung san ako nanggaling
Gusto kalimutan yung ibang nangyari sakin
Yung sabi ko sa tropa mag ingat ka palagi
Wag ka pagpapahuli sa pulis kung maaari
Sa kalsadang hawak namin wala kang babatain
Na kapag napasama ka dito di ka bubuhayin
Yung pangalan namin umiinit dun sa feds
Yung mga babae nag iinit dun sa bed
Madaming dough kaya gumagawa ng breads
Legendary kahit na hindi pa deds
