

# Let's Wait A While

Shaquille O'Neal

There's something I want to tell you  
There's something I think that you should know  
It's not that I shouldn't really love you  
Let's take it slow

When we get to know each other  
And we're both feeling much stronger  
Then let's try to talk it over  
Let's wait awhile longer

Let's wait awhile before it's too late  
Let's wait awhile before we go too far

Remember that special night  
When all of the stars were shining bright  
We made our first endeavor  
To stay together

We made our very first promise  
To love, to share and be real honest  
But on that very first night  
It wasn't quite right

Let's wait awhile before it's too late  
Let's wait awhile, our love will be great  
Let's wait awhile before we go too far

I didn't really know not to let all my feelings show  
To save some for later so our love can be greater

You said you would always love me  
Remember, I said the same thing too  
You don't have to be frightened with my love  
Because, I'll never give up on you

Let's wait awhile, awhile before it's too late  
You know you can't rush love, love

Let's wait awhile before it's too late  
Let's wait awhile, our love will be great  
Let's wait awhile before we go too far

Let's wait awhile before it's too late  
Let's wait awhile, our love will be great  
Let's wait awhile before we go too far

I promise, I'll be worth the wait
