Moshpit

Shaquille O'Neal

The rules are:
There are no rules

You wanna push me?
Be my guest
You wanna shove me around?
Be my guest!
You think you can knock me down!?
Huh!?
Do you think you can knock me around!?
Push Me!?
Shove Me!?
I'm coming in the moshpit
I'm coming to the moshpit!
I'm giving you permission
But beware [*laugh*]
The Diesel is coming
You little bitch

(When push comes to shove)
(When push comes to shove)
(When push comes to shove)
(When push comes to shove)
(When push, push, push, push...)

When push
Comes to shove
Hack-a-Shaq
In the Moshpit!

Yeah!

To the Moshpit

Yeah!

When push
Comes to shove
Hack-a-Shaq
In the Moshpit!

The diesel is coming
You little bitch

(When push comes to shove)
(When push comes to shove)
(When push comes to shove)
(When push comes to shove)
(When push, push, push, push...)

When push
Comes to shove
Hack-a-Shaq
In the Moshpit!

To the Moshpit

When push
Comes to shove
Hack-a-Shaq
In the Moshpit!

To the Moshpit

When push
Comes to shove
Hack-a-Shaq
In the Moshpit!
