

# Moshpit

Shaquille O'Neal

The rules are:

There are no rules

You wanna push me?

Be my guest

You wanna shove me around?

Be my guest!

You think you can knock me down!?

Huh!?

Do you think you can knock me around!?

Push Me!?

Shove Me!?

I'm coming in the moshpit

I'm coming to the moshpit!

I'm giving you permission

But beware [\*laugh\*]

The Diesel is coming

You little bitch

(When push comes to shove)

(When push comes to shove)

(When push comes to shove)

(When push comes to shove)

(When push, push, push, push...)

When push

Comes to shove

Hack-a-Shaq

In the Moshpit!

Yeah!

To the Moshpit

Yeah!

When push

Comes to shove

Hack-a-Shaq

In the Moshpit!

The diesel is coming

You little bitch

(When push comes to shove)

(When push comes to shove)

(When push comes to shove)

(When push comes to shove)

(When push, push, push, push...)

When push

Comes to shove

Hack-a-Shaq

In the Moshpit!

To the Moshpit

When push  
Comes to shove  
Hack-a-Shaq  
In the Moshpit!

To the Moshpit

When push  
Comes to shove  
Hack-a-Shaq  
In the Moshpit!
