Episode after episode oh no

Didn't ya meet me at a party  
Asked me my name while we were on the dance floor  
I remember a time when me and you would be out till morning  
Then wake up and do it again now you telling me  
Let's chill cause you don't wanna go out tonight  
You rather sit and look at each other in the house but

I don't wanna go to your house  
And turn on Netflix  
And watch episode after episode oh no  
Episode after episode oh no

I don't wanna go to your house

Now Orange ain't new it's the Old Black  
Bird Box I seen that  
Ozark, Umbrella Academy, Good Girls or Kevin Hart comedy  
We done seen it all a million times  
But cha still saying  
Let's chill, cause you don't wanna go out tonight  
Buzz kill, why we don't kick it like we use to and no

I don't wanna go to your house  
And turn on Netflix  
And watch episode after episode oh no  
Episode after episode oh no
