

So Blue

Shareefa

I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye
I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye

If these four walls could talk here's what they say
I haven't seen my man in about four days
He been missing and lost since he found out
I done brought another man up in this house
But I swear it isn't my fault no it's not
About a week ago I caught him he ain't figured it out
And I can admit the two wrongs don't make it right
'Cause since it happened I ain't lying I can sleep at night

If I could take it back oh I would take it back
Cause see I want my man to stay
But then I see the facts this is how I react
I wish I handled it another way

I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye
I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye

If I could take back time I would take it back
To the time when he made my heart go boom cat cat
But like they said all good things they must end
Cause now we're no longer lovers not even friends
And if I could I swear I would I swear I would make it good oh
Coulda shoulda would I knew I could I knew I would I probably should so

If I could take it back oh I would take it back
Cause see I want my man to stay
But then I see the facts this is how I react
I wish I handled it another way

I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye
I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye

Oh oh oh oh oh oh oh
I'm so oh I'm so blue oh oh oh
Oh oh oh oh oh oh oh
I'm so oh I'm so blue oh oh oh oh aye

I'm so blue, so blue so blue so blue
Crazy and gone over you
Oh you oh you oh you oh oh oh aye
I'm so blue, so blue so blue so blue
Crazy and gone over you

Oh you oh you oh you oh oh oh aye
