

## Intro (Skit)

Sharissa

Playin' me like I'm some kinda slouch or somethin'  
You know what I'm sayin'? Know what I'm sayin'?  
You won't pick up the phone  
Know what I'm sayin'? You won't answer your beeper  
The only time you pick up the phone is first ring  
You know somethin', it's all good, though  
'Cause I'ma regulate the shit right now  
You know what I'm sayin'?  
Yo, Sharissa, what's up?  
I hear the music, I know you in there, what's up? Open the door  
Yo  
Yo, what's up? Open—  
Open the door, man, what up? Yo, I hear the music  
Oh, you won't open the door?  
Alright, that's cool, man, I'll be right out this motherfucker  
waitin', word up  
Let me catch a motherfucker comin', yo, I'll be— I'ma camp out  
out here  
Word up, I'll be right here
