

Intro

Sharissa

Ladies and gentlemen
I'd like to say welcome
To a new beginning...yeah
My name is Sharissa
Once again

I'd like to introduce
Myself to the world
I'm just a New York City girl
This album is dedicated
To all my family...all my friends
And all my fans...I know y'all been missing
Me and see I miss you too...so
With all the love in my heart...enjoy
