

Put Down That Phone

Sharissa

Yeah
Ooh
FunkLabb
Come on
Y'all ready?
Here we go

I am happy that I met you on the train that day (Yeah)
Looked so good, you had me open like in every way (Yeah)
Felt something I haven't felt in a long time
I got up to leave and you followed me

Wanted to see if I could be your lady (Say, girl, what you doin' tonight? Uh-huh)
You asked me out for tea that morning in the springtime
And I like bein' with you (What you sayin'?)
I ain't gon' be a fool (Say what?)
By lettin' you get away (Uh-huh)
I'm talkin' 'bout my baby (Who?)
Woo, woo, yeah (Let's go)

When we gon' do it again? (When we gon' do it again?)
I been fiendin' for that, I ain't gon' pretend (Oh, oh)
Like I don't wanna get real close to you (I hear what you sayin')
So put down that phone (Let me do it all tonight)
First, say you're comin' tonight (Ah, come on)
'Cause I really wish you would stay the night (I love you, baby)
I just wanna show you what's on my mind (Yeah)
So put down that phone

Knew your cell number by heart the second time I called (Yeah)
Talked so long, I fell asleep, dreamed you came through my door (Yeah)
I have to admit you've done something to me (What's that?)
I'm gon' keep this movin', yes, you're the best, yes

No contest, forget the rest
There's no stress, marvelous
When you undress, get no rest
In the springtime
I like bein' with you (They know me, girl)
Ain't gon' be a fool (Say what? Ain't gon' be a fool)
By lettin' you get away (Uh-uh, no)
I'm talkin' to my baby (Woo, yeah, yeah, come on)

When we gon' do it again? (When we gon' do it again?)
I been fiendin' for that, I ain't gon' pretend (Oh, oh)
Like I don't wanna get real close to you (Let it bounce)
So put down that phone (Come on)
First, say you're comin' tonight (Come on)
'Cause I really wish you would stay the night (Ah)
I just wanna show you what's on my mind
So put down that phone

I can't stop thinkin' 'bout you every day
Just give your lovin' to me every way
You make me wanna be with you all the time, what's up with that?
Baby, and you know you're worth it, yeah (Show 'em, baby, here we go)

Hang up, hang up
You can hang up so you can come over (Come over)
Hang up, hang up
Baby, hang up so you can come over (Come over)
Hang up, hang up
You can hang up so you can come over (Baby, come over)
Hang up, hang up
Baby, hang up so you can come over (Oh)

When we gon' do it again? (When we gon' do it again?)
I been fiendin' for that, I ain't gon' pretend (Oh, oh)
Like I don't wanna get real close to you (You know what I'm sayin'?)
So put down that phone (I ain't gon' front for you, baby)
First, say you're comin' tonight
'Cause I really wish you would stay the night ('Cause I ain't gon' pretend,
no)
I just wanna show you what's on my mind (What?)
So put down that phone (Woo)

I can't stop (Hang up, hang up, you can hang up)
Oh, I can't stop (Hang up, hang up, baby, hang up)
Come on (Hang up, hang up, you can hang up)
Come over (Hang up, hang up, baby, hang up), y'all
