

# Thug Love

Sharissa

You don't know what you wanna do yet?  
You wanna stay outside? You wanna come on in?  
What you wanna do?  
Well, you gotta let me know what the deal is, 'cause I ain't got no time for this  
You holla at me when you ready

You keep me down, seems as long as you can (Always in some shit)  
While you sneak around with your thug friends (Never home)  
I'm with my people, stressin' over you (I don't even know why)  
And I don't know what I'm gonna do  
You spend your day thinkin' what part did you miss? (It's me, nigga)  
My name comes up in conversation and your friends ask  
Why I'm not out tryna ball with you  
You say you gotta do what you gotta do

Do you want a thug? (What you tryna do?)  
Or do you want some love?  
You need to let me know the deal (I ain't even tryna hear that right now)  
I'm tryna tell you just how I feel (Either you come home or you stay where you at)  
Do you want a thug? (Aight then)  
Or do you want some love? (Do you wanna love me?)  
'Cause I need to know the deal (Nah, you don't need to call back here, baby,  
let me know what's up)  
Boy, you need to let me know how you feel, baby

Keeping track of you's like a private eye (I don't have time to be lookin' for you)  
Why every word you say turns out to be a lie? ('Cause you's a lyin' ass)  
You out, out with your dudes at the bar  
Then try to say that all the noise was just you in your car (Uh-uh, who the fuck was that in the background?)  
When you call me when that chick breaks your heart (Nah, I'm comin' for you)  
I ain't showin' you no kind of love (I'm 'bout to let my shit out on you)  
We been through all the shit in the past (Aight then)  
I need to come right now and knock you on your ass

Do you want a thug?  
Or do you want some love?  
You need to let me know the deal (What do you want?)  
I'm tryna tell you just how I feel (How I feel, well, stop talkin' shit over the phone then)  
Do you want a thug? (Do)  
Or do you want some love? ('Cause I wanna get with you)  
'Cause I need to know the deal (Well, I need to know the deal)  
Boy, you need to let me know how you feel, my baby

(Uh-huh), hey  
(Uh-huh), hey  
(Uh, uh-huh), oh (Oh, woah, hey)  
(Uh-huh, uh-huh), hey (Hey, do you)  
What you gon' do? (Hey, yeah)  
You comin' home or what? (Hey, come on)  
Shit, why am I beggin' you? (Hey, come on, yeah)  
Please (Hey, come on)  
You could keep it movin' (Oh, baby)

Do you want a thug?  
Or do you want some love?  
You need to let me know the deal  
I'm tryna tell you just how I feel (How you feel, let me know)  
Do you want a thug?  
Or do you want some love?  
'Cause I need to know the deal ('Cause I need to know, wanna know, gots to k now)  
Boy, you need to let me know how you feel, baby (Oh)  
Do you want a thug? (See, I don't want you anymore)  
Or do you want some love? (Come get your shit and head out the door)  
You need to let me know the deal (See, I ain't got no time for you no more)  
I'm tryna tell you just how I feel (No more)  
Do you want a thug? (Come and get)  
Or do you want some love? (Get your shit)  
'Cause I need to know the deal (I'm tryna let you know how I feel)  
Boy, you need to let me know how you feel, baby (But, boy, you gotta let me know what the deal, I'm tired)

Oh, yeah, yeah  
Baby, yeah  
Baby
