

Andy Warhol Is Dead

Sharon Needles

We like everything the same
Fifteen minutes of fame
We don't see faces, we see mirrors

Fame is free, it even happened to me
Reality TV
Fame is free, it even happened to me, it even happened to me

Look what happened to Candy
Look at me, look at me, look at me
Look what happened to Holly
Stars are cheap, stars are cheap, stars are cheap

"Andy, do you feel that the public has insulted your art?"

"Uh, no."

"Why not?"

"Uh, well I haven't thought about it."

"It doesn't bother you at all then?"

"Uh, no."

"Well, do you think they have shown a lack of appreciation for what pop art means?"

"Uh, no."

"Andy, do you think that pop art has sort of reached the point where it's becoming repetitious now?"

"Uh, yes."

"A canadian government spokesman said that your art could not be described as original sculpture. Would you agree with that?"

"Uh, yes."

"Why do you agree?"

"Well, because it's not original."
