

Size Queen

Sharon Needles

You got that thing that I need
A cut above the rest
You've got me on my knees
Uh-huh I must confess
I'm gonna bump it back, yeah
'Cause you're my Big Mac, yeah
Give me a heart attack again
Watch it go round and round
Do it right, up and down

Oh my god, hot diggity-dog
You've got that right stuff
And that's what I need
(What I need - Ahh!)

Me oh my
That's just what I like
'Cause you're my type, yeah
I like a tight squeeze

Super, super duper size queen
Super, super super size me
Super, super super size queen
You just can't get enough
You got that hot hot hot stuff

Over the top
Ain't gonna stop
Finger licking good
You're the whole damn neighborhood
You've got the calories
Nothing but energy
Eat up the scenery
Watch it go round and round
Do it right, up and down

Oh my god, hot diggity-dog
You've got that right stuff
And that's what I need
(What I need - Ahh!)

Me oh my
That's just what I like
'Cause you're my type, yeah
I like a tight squeeze
(Owww!)

Super, super duper size queen
Super, super super size me
Super, super super size queen
You just can't get enough
You got that hot hot hot stuff

M-I-S-S-I-P-P-I
I want you
M-I-S-S-I-P-P-I
Ooh, I need you
M-I-S-S-I-P-P-I
Gotta have you

M-I-S-S-I-P-P-I

I---I---Ay yay yay yay yay!!!

Super, super duper size queen

Super, super super size me

Super, super super size queen

You just can't get enough

You got that hot hot hot stuff
