

Wendigo

Sharon Needles

I stuff your flesh down my throat
I pick my teeth with your bones
'Cause when I tear you to bits, sop up the blood with your skin
I'll make a meal outta you
I'll turn you into a stew
You've got me licking my chops
I'm gonna gut you to slop

I'm licking my plate clean, you're gristle on my lips
You're churning through my guts, soon you'll be my shit
I'm licking my plate clean, you're gristle on my lips
You're churning through my guts, soon you'll be my shit

Wendigo-go-go-go-go-go-go, Wendigo-go-go-go-go-go-go
Eat your heart out, no control
Wendigo-go-go-go-go-go-go, Wendigo-go-go-go-go-go-go (Hey! Hey!)
Wendigo-go-go-go-go-go-go (Hey! Hey!)
You're the meat, I'm the cannibal
Wendigo-go-go-go-go-go-go (Hey! Hey!)

(Ooh ooh la la la la
Ooh ooh la la la la)

You're on the menu tonight
Your blood is sweeter than wine
My appetite doesn't quit
My belly wants you in it

I'm licking my plate clean, your gristle on my lips
You're churning through my guts, soon you'll be my shit
I'm licking my plate clean, your gristle on my lips
You're churning through my guts, soon you'll be my shit

Wendigo-go-go-go-go-go-go, Wendigo-go-go-go-go-go-go
Eat your heart out, no control
Wendigo-go-go-go-go-go-go, Wendigo-go-go-go-go-go-go (Hey! Hey!)
Wendigo-go-go-go-go-go-go (Hey! Hey!)
You're the meat, I'm the cannibal
Wendigo-go-go-go-go-go-go (Hey! Hey!)
