

# All Over Again

Sharon Van Etten

Doing it all over again  
Prove to me  
You're some kind of man  
And face it  
To have some proof of life

Doing it till I feel again  
You will never learn  
To withstand  
To chase it  
Try to understand  
Where I end

Every one says they understand  
Everyone will do what they can  
I've seen it  
Imagine the time to  
Grow

Every hand you had to extend  
I was stepping up and you land  
To regress  
You can't even  
Hold your own weight  
And I let you  
Do it all over again  
Do it all over again
