

Comeback Kid

Sharon Van Etten

"Hey, you're the comeback kid"
(See me look away)
I'm the runaway
I'm the stay out late
I'm recovering
Kid, at the top of our street
I was somewhat like him
I was somebody

Comeback kid!
Comeback, kid!
Come back, kid!
Let me look at you!

"Yeah, you're the comeback kid
Let me look at you"
(Then look away)
Yeah, I'm the runaway
I'm the hardly stay
Let slip away

Don't look back!
Don't look back!
Don't look back!
Watch me run away

"Kid came back a real turn around"
Please believe that I want to stay
"Got a job now that my brother found
Working nights just a mile away"
Don't let me slip away
I'm not a runaway
It just feels that way

Comeback kid!
Comeback kid!
Come back, kid!
Let me look at you!
Comeback kid!
Comeback, kid!
Come back!
