

## Charmander vs. Squirtle

Sharptooth

Woah woah oh oh  
Woah woah oh oh  
Woah woah oh oh  
Woah woah oh oh

I'm never gonna get  
To where I wanna be  
And every time I trip and fall  
It knocks the wind right out of me

Just when I'm crashing  
Don't mean I got [?]

Things don't always  
Go the way that I planned  
When I step back from beating myself up  
Then I can better understand

I will never be perfect  
But I am better every day  
And so I focus on better  
Who needs perfect anyway
