

# Single Standard

Sharptooth

Don't get me wrong  
I understand  
That you think you're doing me a favor  
But I don't need you to hold my hand  
So take it back  
Let's think this through  
See, every time you elevate yourself above me  
You're putting yourself down too

Because they don't give a shit about you

They want to try to define us  
The way we are is just fine for us  
This is not just my fight  
This is also your fight  
Do you really want somebody else to  
Tell you who to be?

So listen up  
Take it from me  
See, every time they tell me how to be a woman  
They're telling you how a man should be  
Those kind of lies  
They hurt us all  
It's up to us to make a choice to stand united  
It's time that we tear down walls

Because those walls  
Have no place here

So don't walk in front of me  
I will not follow  
Just walk beside me  
And be my friend  
Don't walk in front of me  
I will not follow  
Just walk beside me  
And be my friend

Tear down  
Society's wrongs  
Fight for a world where we all can belong  
This is your chance  
To stand for what's right:  
We need allies, not white knights

We need allies, not white knights
