My music and lyrics, they intoxicate  
See a dey ruler, dey dominate  
And my fans just dey tell me that dey appreciate

2, I no be Rambo or Shaka  
But the bomb I go throw bigger than amoka

Egedeme every city we dey control  
My niggas from no wallup  
Den niggas from Pamprom  
Eey Gbekene bomb fire en ke lancho  
What a show? Wow

Their dream big, they want to fly  
In our homeplace
